Spring is in the Air
 and you can help us grow

Spring 2022

Dear Library Friend and Neighbor,

We've decided to move our annual mailer to the spring. We think it's a great time of year to celebrate what we've accomplished in 2021 and to look ahead to what this new season will bring to our Peters Township Public Library in 2022.

The Peters Township Library Foundation helps our amazing Peters Township Public Library with the "extras" as we open books, doors and minds in our community. The Foundation works closely alongside the library to help with both financial and volunteer support.

Thanks to your generous donations, we are able to grow our beloved library; the center of lifelong learning in our community. Together, we can nurture our community's love of literature, world events, local history and so much more.

With Appreciation,

Maura Kelley

President, The Peters Township Library Foundation

With Gratitude,

Jacelyn Love

Director, Peters Township Public Library

Thank you for your gift. A gift of \$60 is only \$5 per month.

Homebound Delivery Service

THE PETERS TOWNSHIP LIBRARY
FOUNDATION

Library Projects

In 2021, we provided consultant support for the Peters Township Archives, installed a new circulation desk, funded the new Seed Library, purchased Beanstack summer reading app, paid for two zoom licenses virtual programming, and provided volunteers for homebound delivery.

Used Book Sales

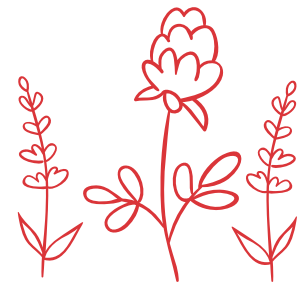

Our volunteers sort your gently used book and puzzle donations to get books into the hands of new readers & raise money for our library at the same time.

Novel November

In 2021, we hosted bestselling author Taylor Jenkins Reid, and in 2022, we can't wait to welcome bestselling author Andy Weir as our 5th annual Novel November author.

Thank you for your support of our amazing Peters Township Public Library. With your donations, we enhance what our library can offer to everyone in our community. We have so much more planned in 2022 and beyond. Let's spring forward together and help our library grow.

Your generous support allows us to boost what we can offer at our library outside our normal operating budget to support lifelong learning in our community. The Foundation's mission is to advocate for the Peters Township Public Library through fundraising and volunteer support.
