TREASURES OF A LOST FLEET

Monday, July 11, 6:30 to 7:30 p.m.

Multi-Purpose Room, 1st floor

In the early morning hours of July 31, 1715, one of the richest Spanish treasure fleets ever assembled was in trouble. Carrying a

fortune in gold, silver, and jewels from Spain's New World empire, the Fleet tried to outrun an ominous storm pursuing it up the Florida Straits. The bulky treasure-laden galleons were not fast enough. By 2 a.m., 100-mile-per-hour winds, torrential rains, and mountainous waves broke over the Fleet. Eleven of the twelve ships in the Fleet were lost, either capsizing in deep water or tossed upon the reefs and sandy shores of the Florida coast. More than a thousand men and women, crew, and passengers perished from the hurricane's fury. It was one of the worst maritime disasters of all time.

Join Ben Costello as he discusses the aftermath of this great sea tragedy and how the Fleet was lost to history for 240 years. Costello will display actual coins and artifacts recovered from the 1715 Fleet during the program. A retired attorney with a passion for sunken treasure and recovery, Ben Costello is President of the 1715 Fleet Society, Inc., a 501 c (3) nonprofit organization involved in archival research and the hunt for the remains of the Fleet. He has written many articles on the 1715 Fleet and co-authored a book on treasures recovered from the Lost Fleet. He resides with his wife in Venetia. Registration is required.

Join us for a presentation by Bryan Seip, President of the Montour Railroad Historical Society, with an introduction by Wayne Pfrimmer, President of the Friends of the Montour Trail in Peters Township. You will learn the fascinating history of this section of the railroad built from 1912 to 1914 to transport coal and later lumber, produce, and dairy items. Your walks will never be the same once you discover how the trail came to be and the treasured landmarks you can still spot today. Registration is required.

STORIES FROM THE PTPL ARCHIVES: THE DAIRY BAR

We polled 206 persons who attended the *Stories from the Archives: Village of McMurray* program via Zoom. The overwhelming selection for the next topic was--the Dairy Bar! We share many treasured memories at this iconic Peters Township landmark, including the famous Dairy Bar ham, homemade ice cream, the gas pumps out front, and locals gathering for morning coffee.

Local History Librarian Margaret Deitzer and Public Relations Coordinator Carrie Weaver are busy gathering materials and researching documents for the upcoming presentation, which we will offer via Zoom in the fall. Do you have an original Dairy Bar photo or memento that you would consider donating to the PTPL Archives and to be part of this program?
