Spring is in the Air
and you help us grow

Spring 2023

Dear

Spring is a great time to celebrate what you've made possible in 2022 and to look ahead to what we can achieve in 2023 to benefit our Peters Township Public Library.

Because of YOUR annual support, The Peters Township Library Foundation assists our amazing library in making a difference with additional resources as we open books, doors, and minds in our community.

Because YOU GIVE, we are able to grow our beloved library and nurture our community's love of literature, world events, local history, and more each year.

Your support of our amazing Peters Township Public Library makes a difference and helps sustain an outstanding community asset. We cannot overemphasize the impact of your gift.

Let's spring forward together and take action to sustain our mission!

With Appreciation,

President, The Peters Township Library Foundation

With Gratitude,

Director, Peters Township Public Library

Thank you for your gift.
