Spring is in the Air
 and you help us grow

Spring 2026

Spring is a great time to celebrate what you made possible at the Peters Township Public Library in 2025 and look forward to what we can achieve in 2026. Your annual support allows The Peters Township Library Foundation to assist our library in making a difference in the community by providing additional resources as we open books, doors, and minds.

Because you give, we are able to grow our library and nurture our community's love of literature, world events, local history, and more. Your support makes a difference and helps sustain this outstanding community asset. We cannot overemphasize the impact of your gift. You can give by check, credit card, or even with retirement funds. If you would like to learn more about donating to the library using your retirement funds, please speak with your financial advisor and visit ptlib.org/retirement for instructions.

Let's spring forward together and take action to sustain our mission! Thank you for your gift.

With Appreciation,

Maura Kelley

President, The Peters Township Library Foundation

With Gratitude,

Jacelyn Love

Director, Peters Township Public Library

Thank you for your gift.
