Board members help advance the Foundation's mission through fundraising, advocacy, community connections and their own individual talents and experience.

- Support fundraising and donor-development efforts
- Serve as an ambassador for the Foundation and Library in the community
- Help build relationships with potential donors, businesses and community partners
- Contribute your skills to specific Foundation priorities or projects
- Participate in Foundation activities that align with your interests and availability
- Fulfill the governance and fiduciary responsibilities that come with nonprofit board service

We're especially interested in people with experience or interest in:

- Fundraising, development or donor relations
- Marketing, public relations, communications or social media
- Community engagement and relationship building
- Grant writing or planned giving
- Business or nonprofit leadership
- Connecting people and building partnerships
